1. Briefly define the problem/issue:

NGS bureau staff is requesting that the NG9-1-1 funding award for Powhatan County be amended to include a revised connectivity quote of \$173,929. The locality originally had a connectivity quote from Verizon for \$61,548.21. The current funding award is for \$305,273.69. If approved by the Board, the amount of the revised funding award will be \$417,654.48. This revised funding award includes \$112,380.79 in additional funding for connectivity.

2. Background (include important dates):

Powhatan's NG9-1-1 Migration Proposal (MP) contained an initial quote of \$61,548.21 from AT&T for diverse connectivity.
